

## KEY POINTS

# ASTERITE® PLUS+

**ASTERITE® Acrylic Sheet for bath, shower and vanity applications.**

### More Than Acrylic

ASTERITE® Plus is a new breed of material from the ASTERITE® brand which has been specially developed to give a luxury solid stone-esque appeal to baths, vanity basins and shower trays.

### Where Cast Acrylic Meets Solid Surface

With its stone-like surface texture, this new cross linked mineral filled cast acrylic sheet gives you more...it's ASTERITE® Plus.

This new material combines the opulent feel of solid surface, with the exceptional properties of cast acrylic sheet, throughout its use in service:

- Textured surface finish with the aesthetic appeal of stone
- Strong, durable and hard-wearing
- Resists water whitening and watermarks
- Lightweight and easy to install
- Easy to shape and style
- Can be used to create matching and contrasting baths, shower trays, and vanity basins
- Batch to batch colour consistency
- Colour matching service available

## PRODUCT RANGE

Available thicknesses: 6 & 8mm.

Standard Colours: White 1WF1 & White 1WF2

If you require a different thickness or a new colour, please ask for details of the ASTERITE® make-to-order service.

Please note the colours shown above may not exactly match the colours of ASTERITE® acrylic sheet. Please request a sample to see the true colour.
