

## KEY POINTS

# ASTERITE® Starlight

**ASTERITE® Acrylic Sheet for splashback, shower and vanity applications.**

### A Touch of Space

ASTERITE® Starlight is a brand new range from Perspex International, designed to bring the dramatic dark glamour with the aesthetic feel of solid surface to the bath market.

ASTERITE® Starlight offers the luxurious look and feel of stone with the performance benefits of acrylic.

### Quality with Style

Made from the new ASTERITE® Starlight acrylic sheet, your shower tray and basins will get the powerful appeal of natural stone with night sky aesthetic feel.

This new material combines the opulent feel of solid surface, but comes without excess weight which makes easy for transportation and installation within the house, apartment or hotel.

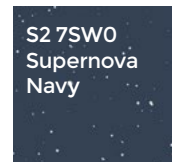

ASTERITE® Starlight comes in 4 different colours with the following performance benefits:

- Appearance of solid surface: value added aesthetic with the opportunity for increased margin generation
- Textured surface finish
- Sparkling effect
- Warm and inviting to the touch
- Strong, durable and hardwearing
- Easy to shape and style
- Lightweight and easy to install
- Meets the exacting quality and performance standards of the ASTERITE® brand

## PRODUCT RANGE

Available thicknesses: 3.2, 4, 5 & 6 mm.

4 colours to choose from:

If you require a different thickness or a new colour, please ask for details of the ASTERITE® make-to-order service.

Please note the colours shown above may not exactly match the colours of ASTERITE® acrylic sheet. Please request a sample to see the true colour.
